## ST. VITUS' DANCE

The Cure of This Case Is of  
Vital Interest to the Parents  
of Every Nervous Child.

Mr. James F. Thompson, a well-known printer, of No. 301 West Iowa street, Memphis, Tenn., has recently told of a cure in his family that will interest every nervous sufferer. Parents of pale, weak, nervous school children will be especially interested. Mr. Thompson said:

"I have a son, Ray, who at the age of five years was scared by some boys. In about two weeks' time he broke down or gave away completely. He had to go to bed and the doctors said that he had St. Vitus' dance. During the entire night and for many nights he would lie awake and cry. He could not sleep at all, but would roll and toss all night long. His arms and head jerked and twitched and he became so nervous that he could not feed himself. He got so that he couldn't even speak. He had particularly bad spells, which came on about every three months. He was confined to bed for two months when he was first taken sick.

"I had a nerve specialist and two of the best physicians in Memphis with him during the first year of the disease. They couldn't do anything for him and didn't help him a bit. Finally the last physician said that he would have to outgrow it. I then bought a box of Dr. Williams' Pink Pills. They helped him right away and, although he had been sick for a year and a half, he began to eat and to gain strength. I gave him the pills until he entirely recovered his health. He has never had an attack of St. Vitus' dance since. He is attending school and is in perfect health."

St. Vitus' dance, nervous debility or neurasthenia, neuralgia, sciatica, nervous headaches and nervous dyspepsia are due to tired, weak, exhausted nerves. The correct treatment in each case is to build up and purify the blood, which alone can give the nerves nourishment. Unless you build up the blood, it is useless to try to reach the nerves with medicine or nourishment. Dr. Williams' Pink Pills for Pale People contain the very elements which enable the blood to nourish the nerves until they become strong.

Write today for the free booklet, "Disease of the Nervous System."

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 60c. per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

## Over-Night FEDERAL Wireless To the Advertiser

Turkey today took up the gauntlet thrown down by the Balkan mountain states, and events in the Near East crowded closely upon one another to hasten what is believed to be the inevitable general outbreak.

Servia's representative in Constantinople, as well as those of Greece and Bulgaria, was notified by his government today to prepare to leave on a moment's notice.

More success has followed the determined advance of the Montenegrin armies under King Nicholas and Prince Danilo. The Montenegrins lost 100 in killed and wounded in their attack on the town of Byelopolska, in the sanjak of Novibazar, says an official report received by the Montenegrin consul general here, and the Turks, who fled after the battle to Sientza, are said to have suffered heavily.

The Malissori tribesmen in the neighborhood of Soutari have joined forces with the Montenegrin troops.

### CALDWELL DEFENDS HOTEL STREET WORK

Replying to an attack on the character of the work he has done on Hotel street, which appeared in the Advertiser, Road Overseer Caldwell makes a statement in that paper. He says the Hotel street work is the result of considerable experimenting in road making and cost but forty-five cents per square yard or five cents a square foot. Patented pavement with an inch and a half wearing surface would cost not less than \$1.25 a square yard.

The Hotel street job is two- and a half of resurfacing and is what is called asphalt macadam. Two gallons of grade C asphalt, to 320 degrees, is put into the square yard, mixed with crushed stone. After this composition is rolled it is covered with screenings. It is expected that the heat and the traffic will combine to make a smooth, waterproof surface, and one that will wear five or six years. This is how a similar piece of roadway on King street, between the Capitol gateway and Punchbowl street is working out.

Engineer Whitehouse and the overseer have been experimenting for some time on the problem of cheap road construction that will stand automobile traffic, and this asphalt macadam seems to fill the bill. It has been pronounced first-class construction by Engineer Bishop of Hawaii county.

### NAMES SELECTED FOR MANOA ROADS

Ponahou avenue is the name selected for the upper Manoa road, and Manoa avenue for the lower one, by the Manoa Improvement Club, and will be recommended to the superintendent of public works to be promulgated officially. The first named thoroughfare extends from King street to the head of the valley, and the other from Kamehameha avenue to the same region.

At the annual meeting of the club last night, the following officers were elected: Fred L. Waldron, president; Capt. John Kidwell, vice-president; Ernest Clark, secretary; A. H. Tarleton, treasurer; Charles Bon, B. von Damm, George Guild, with the officers, executive committee.

The superintendent of public works informed the club that \$60,000 was being expended to furnish the district with water.

### CITIZENS OPEN KULA PIPE LINE EXTENSION

The extension of the Kula pipe line on Maui was opened yesterday with ceremony, cheers greeting the formal release of the waters by a county official. This pipe line, though built by territorial funds, will be paid for by the county and the project is regarded as a strictly Maui improvement.

### KAUAI MAIL DELAYED.

When the Mail arrived last Friday, instead of following the usual course, which is that the mail comes off ahead of any freight, the reverse was the case, which resulted in an inconvenience to our local postoffice officials inasmuch as the mail had to be sorted from the island mail which leaves at 6 a. m. and the force had to work like thirty cents to get the mail distributed and sorted within the time limit. The patrons of the local office were also disappointed, in the delay of their mail, having heretofore been accustomed to just a bit more promptness upon the part of the steamship officials. There might have been some very good reason for the delay, but until one is given, the question (Why?) is in order.—Garden Island.

Visiting brothers or sisters will be cordially welcomed.

### RHEUMATIC SUFFERERS RELIEVED.

Rheumatic pains are aggravated by cold, damp weather and many hard-working, middle-aged people are made miserable during much of the winter and spring months by reason of this. Their suffering may be very much relieved, and in many cases permanently, by applying Chamberlain's Pain Balm and massaging the parts with the palm of the hand at each application. This relieves the pain and makes sleep and rest possible. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

Smugglers are thought to have sneaked through the Golden Gate and landed a load of Chinese in Oakland and gotten away in the fog. Customs and immigration men chased the boat out to sea but lost it.
